

UNIVERSITY OF BOLOGNA
DEPARTMENT OF ELECTRICAL ENGINEERING
Viale Risorgimento 2 - 40136 Bologna (Italy)

SHORT CURRICULUM VITAE OF

Prof. Ing. Francesco Negrini

Francesco Negrini received the doctor degree in Nuclear Engineering from the University of Bologna in 1967. From that time until today he served successively as Research Scientist, Assistant Professor, Associate Professor, and from 1985 as Full Professor of Electrical Engineering in the University of Bologna, Italy. He has served also as Director of many National Programs of the CNR (National Research Council of Italy) concerning direct energy conversion.

From 1975 he is member of UNESCO ILG-MHD, and Director of the Italian National Program on MHD. From 1987, Prof. Negrini is President of the Italian Industrial MHD Consortium; from 1989 he is National Coordinator of CNR Project "Superconducting Magnets"; from 1993 he is Vice President of the International Liaison Group on MHD Inc.

Professor Negrini has authored or co-authored more than 130 papers.
